Community Care
OF NORTH CAROLINA

CCNC has partnered with DocsInk, an experienced North Carolina Healthcare Communication company with the preferred Telehealth Solution.

Through this partnership we have negotiated DocsInk's **Premium Productivity Telehealth Solution** through July 31, 2020 at **No Cost** to our Qualified Providers.
~ ALL Staff is included at No Additional Charge ~

Additionally, beginning August 1, 2020, we have secured reduced rates on both their Essential & Premium Solution Plans as shown below for our Qualified Providers until April 30, 2021.**
~ ALL Staff is included at No Additional Charge ~

(Providers will be responsible and billed directly for these fees after July 31, 2020)

Basic Connect	Essential Workflow	Premium Productivity
FREE	**$30.00** provider/mo.	**$40.00** provider/mo.

Seamlessly Adapts to Your Workflow

Basic
Great for getting started. A feature rich solution that connects you to your patients from a calendar or waiting room.

Essential
Perfect workflow for any size practice. Work-up patients and effortlessly hand off with our multi-user patient video chat. ROI on your first session.

Premium
Improve your productivity. Launch from your EHR, see the patient, and close the session with a charge and visit documentation for immediate bill release.
