DIABETIC SUPPLIES

Roche Diagnostics Corporation is N.C. Medicaid's designated preferred manufacturer for glucose meters, diabetic test strips, control solutions, lancets, and lancing devices for Medicaid-primary recipients and Health Choice-primary recipients (dually eligible and third-party recipients are not affected). These products are covered under the Outpatient Pharmacy Program and can be submitted under the pharmacy point-of-sale system with a prescription.

Diabetic supplies can also be submitted under Durable Medical Equipment using the NDC and HCPCS code. For questions or assistance regarding diabetic supplies, please call the Division of Medical Assistance at 919-855-4310 (DME), 919-855-4300 (Pharmacy) or Roche Diagnostics Corporation at 1-877-906-8969.
