

Well Child Visit Call Script/ Due For Checkup Script

Hello. This is the Health Check program at Community Care of North Carolina calling with an important message.

Our records show that your child is due for a well child checkup.

If you have not scheduled an appointment, please call your child's primary care doctor to schedule one.

If you need assistance with transportation to the appointment, please call your Health Check Coordinator at 984-365-7463.

This well child check-up is very important even though your child may look healthy and feel well.

Remember a healthy child is a happy child. Have a great day.
